Poize®

Poize® is a premium quality textured sweet feed intended for mature horses experiencing light to medium levels of activity.

Wrapped in a light coat of molasses, the combination of top-quality rolled and whole grains with an addition of highly digestible forms of fiber, like beet pulp and soy hulls, make Poize an extremely palatable and digestible product. In addition, Poize features the highest-quality chopped North American timothy and alfalfa to enhance the nutritive package.

Feeding Instructions

This feed is a fully fortified ration. It is not necessary to add additional protein, vitamin or mineral supplements if this feed is fed as directed. Feed at the rate of 6-18 pounds per day depending on the intensity of the work, size and body condition of the horse. If individual feeding level drops below this minimum, consult Hallway Feeds on the use of a protein, vitamin, and mineral supplement, i.e. Stamm 30®. This feed is designed to be offered alongside forage to provide a balanced diet and to do so should be fed with a minimum of 1.5% of bodyweight per day of high quality forage (hay, pasture, hay cubes). Always provide a clean, fresh source of water and free choice salt. Contact Hallway Feeds or your local dealer if you have any questions about the use of this product.
