

Technical Service Specialist

Description

Hallway Feeds (www.hallwayfeeds.com), a family-owned company recognized as a leader in the manufacturing and marketing of premium equine feeds and supplements, seeks candidates for a part-time position in the Technical Service department. This position is located at our office in Lexington, Kentucky. Our business is, and will continue to be, focused on manufacturing and delivering the highest quality feeds and uncompromising customer service.

Hallway Feeds is seeking an individual to join the Technical Services department. The position will entail supporting the Technical Services Manager by visiting farms and recording data on the growth of horses in Central Kentucky and providing reports on the growth of horses to the ownership and management teams at those farms, stables, and training facilities.

Responsibilities

- Technical Service Team Support
 - Assistant to Technical Service Manager
 - Data input, record and communicate data accurately
 - Sharing reports

Requirements

- Interest in an equine-related career
- Must have reliable transportation to and from work
- Ability to lift 50lb feed bags
- Familiarity with Office based software

Specifics

- Currently designed to be a part-time position
- Schedule subject to change: five mornings per week (7:30/ 8:00 am – 12:00 pm)
